

PROFESSIONAL DEVELOPMENT & TRAINING WORKSHOP

OCCUPATIONAL THERAPY TIPS IN THE CLASSROOM (FOR AGES 1-9)

Join our **Head of Occupational Therapy, Namita Panekat** as she discusses the various occupational therapy tools and intervention ideas that can be used in nurseries and schools to help toddlers and children with delayed skill sets to develop the age appropriate skills, be more focused and organized and improve their productivity in nurseries and schools.

She will provide an overview of occupational therapy based exercises that can be incorporated in physical education classes, to improve the functional levels of performance of children in schools.

Date: Tues. February 6, 2018.

Time: 3:00-4:30pm
(including Q&A)

Venue: CDC
