

ONLINE SERVICES WITH CDC

CDC recognizes the importance of supporting parents and children during this difficult time, thus, in lieu of in-person appointments, we are now offering **online parent consultations, BCBA supervision, and initial consultations** with our Board Certified Behavior Analysts (BCBAs), Ms. Kamila Janik and Dr. Adrienne Robek.

ONLINE PARENT CONSULTATION - 30 MINUTES

Our BCBAs can provide guidance and support if your child is presenting with:

- Any type of behavioral difficulties such as tantrums or refusal to comply with your requests
- Delays in speech and language development and difficulties with communication
- Difficulties with play skills and social skills
- Issues with feeding, mealtime, bedtime, daily routines, toileting, and/or any other activities of daily living
- Difficulties with academics

PRICE:
250 QAR PER SESSION
700 QAR (3 SESSIONS PER WEEK)
1150 QAR (5 SESSIONS PER WEEK)

INCLUDES A FOLLOW-UP EMAIL LISTING THE KEY POINTS DISCUSSED DURING THE CONSULT

ONLINE BCBA SUPERVISION – 30 MINUTES

Our BCBAs are now offering online BCBA supervision. If you are already working with your child at home and you have an ABA program in place, you can book an online BCBA session, so that you can continue working with your child at home.

BCBA Supervision includes preparation of new ABA programs, which will be emailed to parents, and/or a video call or review of short video clips recorded during home session, depending on the case.

PRICE:
250 QAR PER SESSION

INCLUDES A FOLLOW-UP EMAIL WITH A COPY OF NEW ABA PROGRAMS

ONLINE SERVICES WITH CDC

ONLINE INITIAL CONSULTATION- 60 MINUTES

If you are concerned about any aspect of your child's development including delays in speech and language, social or academic skills, cognitive or adaptive skills, feeding, and/or behavioral problems, you can book an online initial consultation with our Clinical Director, Dr. Adrienne Robek, who is a BCBA-D and a New York State Licenced Psychologist, who will provide recommendations on how to support your child. If you are booking an initial consultation, at least 24 hours prior to your online session, you can send a video of your child up to 3 minutes in length and our specialist will provide feedback on your child's behavior and overall presentation.

PRICE:
500 QAR PER SESSION

INCLUDES A REVIEW OF
VIDEO RECORDINGS OF
YOUR CHILD'S BEHAVIOR
AT HOME AND A

ONLINE WORKSHOPS

We are offering individual and group-based online professional development (PD) webinars/workshops for parents, professionals (e.g., teachers), and caregivers on a variety of topics related to child's development, behavior, speech and language, feeding, etc. Workshops can be tailored to your individual needs. Please contact us for further details.

How will the sessions be conducted?

All sessions will be conducted using a secure video conferencing platform called Zoom , which can be downloaded to your desktop and/or phone for free from the App Store. Just register using your main e-mail address, which you will need to provide at the time of booking.

How can I book online sessions?

Our specialists are available 7 days per week. You can book any of the online services, at a time convenient for you, by calling or texting us at +974 6692 0199 or sending an email to rachel@cdcenterqatar.com or rizza@cdcenterqatar.com
